IMPORTANT NOTICE FROM PETCO ANIMAL SUPPLIES, INC. ABOUT CREDITABLE PRESCRIPTION DRUG COVERAGE AND MEDICARE

The purpose of this notice is to advise you that the prescription drug coverage listed below under the Petco Animal Supplies, Inc. medical plan is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2018. This is known as "creditable coverage."

Why this is important: if you or your covered dependent(s) are enrolled in any prescription drug coverage during 2018 listed in this notice and are or become covered by Medicare, you may decide to enroll in a Medicare prescription drug plan later and not be subject to a late enrollment penalty — as long as you had creditable coverage within 63 days of your Medicare prescription drug plan enrollment. You should keep this notice with your important records.

Note: Some prescription drug programs offered by Petco Animal Supplies, Inc. do not provide creditable coverage. If you are enrolled in (or interested in enrolling in) any drug coverage not listed in this notice, please review the Petco Animal Supplies, Inc. companion notice entitled “Important Notice from Petco Animal Supplies, Inc. about Noncreditable Prescription Drug Coverage and Medicare.”

If you or your family members aren’t currently covered by Medicare and won’t become covered by Medicare in the next 12 months, this notice doesn’t apply to you.

Please read the notice below carefully. It has information about prescription drug coverage with Petco Animal Supplies, Inc. and prescription drug coverage available for people with Medicare. It also tells you where to find more information to help you make decisions about your prescription drug coverage.

Notice of creditable coverage

You may have heard about Medicare’s prescription drug coverage (called Part D), and wondered how it would affect you. Prescription drug coverage is available to everyone with Medicare through Medicare prescription drug plans. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans also offer more coverage for a higher monthly premium.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible, and each year from October 15 through December 7. Individuals leaving employer/union coverage may be eligible for a Medicare Special Enrollment Period.

If you are covered by one of the Petco Animal Supplies, Inc. prescription drug plans listed below, you’ll be interested to know that coverage is, on average, at least as good as standard Medicare prescription drug coverage for 2018. This is called creditable coverage. Coverage under one of these plans will help you avoid a late Part D enrollment penalty if you are or become eligible for Medicare and later decide to enroll in a Medicare prescription drug plan.

- Anthem \$900 Deductible Plan
- Kaiser \$900 Deductible Plan
- Anthem \$1,850 Deductible Plan
- Kaiser \$1,850 Deductible Plan
- Anthem \$2,850 Deductible Plan
- Kaiser \$2,850 Deductible Plan
- HMSA CompMed (Hawaii) Plan
- Kaiser Hawaii Platinum Be Fit Plan

If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the employer plan will continue to pay primary or secondary, as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop Petco Animal Supplies, Inc. coverage, Medicare will be your only payer. You can re-enroll in the employer plan at annual enrollment or if you have a special enrollment event for the Petco Animal Supplies, Inc. plan.

You should know that if you waive or leave coverage with Petco Animal Supplies, Inc. and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You’ll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll in Part D.

You may receive this notice at other times in the future – such as before the next period you can enroll in Medicare prescription drug coverage, if this Petco Animal Supplies, Inc. coverage changes, or upon your request.

- Surgery and reconstruction of the other breast to produce a symmetrical appearance;

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT (NMHPA OR "NEWBORNS' ACT") NOTICE

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your medical carrier at the phone number listed on the back of your ID card.

CHIP/MEDICAID NOTICE

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.
